Clubs or organisations a member of:			
Areas of interest:			

I agree to act in the interests of the **WFAC Mission Statement**: A group of villagers with a positive attitude working towards the development of a community facility and sports pitches on the Parish Council owned Milton Road site and the improvement and development of facilities on the Lucy Plackett Activity field.

I will:

- Offer respect to others
- Work for the positive outcome of the Mission Statement
- Operate with integrity
- Be independent of political lobbying

Please check this box to give WFAC consent to send you important information about your membership including meeting dates, project updates and fundraising activities by email to your primary email address.
